**Catechist In-Service Workshop
August 7, 2010, 9:30 am-2:30 pm
SS Cyril & Methodius Seminary**

This past May, the Eastern Catholic Eparchial Directors (ECED) of Religious Education met at the seminary for their spring meeting. At the meeting, the late Metropolitan Archbishop Basil spoke to the group expressing a concern of all the Eastern bishops regarding the educating and formation of catechists.

The Office of Religious Education for the Archeparchy of Pittsburgh will address that concern at the annual Catechist Workshop on Saturday, August 7, 2010 at SS Cyril & Methodius Seminary. Special attention will be given to methodology and curriculum.

This workshop is designed for all who teach levels, Pre-K to Grade 12 in the Eastern Christian Formation programs in our parishes. The format will include:

- ◆ Grade level breakout sessions (bring your Teacher Manual to the workshop)
- ◆ Current issues and concerns
- ◆ Sharing of high school resources & materials
- ◆ Use of the computer as an effective resource
- ◆ Informational presentation on the Catechetical Encounter for all Eastern Catholic Churches to be held September 16-18, 2011, Cleveland, Ohio
- ◆ Guest speaker
- ◆ Safe Environment Training for new catechists
- ◆ Late lunch cookout will be provided by the Office!
